Managing Director Lotteries and Keno's Message

Tatts NT Lotteries Pty Ltd (**Tatts NT**) is part of Australia's largest official lottery brand, the Lott.

After operating public sweeps in Sydney from 1881 and in Queensland from the late 1800's, the Tatts lottery operation was re-located to Tasmania from 1897 and then to Melbourne in 1954. A 120 years plus lottery tradition continues today. Tatts has a proud history of providing exciting and innovative gaming entertainment. Being a Tatts franchisee represents an outstanding opportunity for your business to become a part of this unique world of lotteries and benefit from some of Australia's most recognised and well regarded brands.

Being a Tatts NT franchisee also requires a shared commitment to the vision and direction of the business. It requires the highest standards of customer service and integrity, and a desire to sell products that are innovative, exciting and widely played. In return, franchisees are recognised and rewarded for their contribution and support.

Should you require further assistance with any aspect of your application, I invite you to contact the Retail Franchise Co-ordinator at the Lott.

Vision Statement

Tatts - A Brief History and Introduction to our Games

A brief summary of Tatts history and introduction to each game is outlined at www.tatts.com.

Franchising Code of Conduct

The Franchising Code of Conduct is a compulsory code of conduct designed to provide certain safeguards to franchisees. Tatts NT understands that its network is covered by that compulsory code and based on that understanding (a) considers itself to be bound by the obligations placed on franchisors in that code; and (b) considers that its franchisees are entitled to the rights and to the safeguards provided to franchisees in that code; and (c) considers that in the event of any inconsistency between the code and the Franchise Agreement it is the code that prevails to the extent necessary to resolve that inconsistency.

One of the obligations placed on a franchisor under the Franchising Code of Conduct is that prospective franchisees are to be provided with, amongst other things, a copy of the code at least 14 days prior to certain events occurring (e.g. entry into a Tatts NT Franchise Agreement).

Franchisees will be required to register for a Fair Work online account and sign up for emails and newsletters prior to commencing trade as a franchisee.

Application Process

Site Evaluation

When an application is received for a new site, Tatts NT reviews the business and site location to determine if the franchise criteria can be met. Tatts NT will perform a site evaluation to verify details contained within the application and to gather any other relevant information.

Surrounding outlets within close proximity may be advised of your application and be invited to submit their views in writing relating to Tatts NT franchise criteria. These comments may be taken into consideration during the final decision process.

Tatts NT franchisees are not granted exclusive territories.

The appointment process is normally completed within 30-60 working days, however in some instances and areas this process may take longer.

If appointed as a Tatts NT franchisee this will include the appointment of a Golden Casket Instant Scratch-Its franchisee.

Tatts NT continues to monitor growth areas. Where an area is identified as not serviced or under-serviced, Tatts NT may do one or more of the following:

- Invite the nearest existing franchisee to discuss the opportunity to provide an increased level of service;
- Seek expressions of interest from other interested parties;
- Consider applications from current businesses in the under-serviced area to become a Tatts NT outlet; and/or
- Approach current businesses in the under-serviced area to become a Tatts NT outlet.

Applicant Assessment

To assess the suitability and ability of the applicant as outlined in the franchise criteria, applicants are required to attend a face to face interview.

Supervisor Assessment

To assess the suitability and ability of the supervisor they are required to attend a face to face interview.

Transfer of Ownership

Tatts NT reserves the right to refuse transfer of ownership on reasonable grounds, which include:

- The assignee or transferee does not meet the franchise criteria; or
- The assignee or transferee has not agreed in writing to comply with the Franchise Agreement or Outlet Procedures Manual.

Lease Requirements

The entity entering into the Franchise Agreement must have the right to occupy the outlet by lease or sub lease.

Outlet Relocation

Where a franchisee wishes or is forced to relocate the lottery outlet to a new location, franchisees must apply to Tatts NT to relocate the outlet.

Relocation of an outlet is at the discretion of Tatts NT which will be exercised taking into account many factors including but not limited to the following:

- The proposed new location is a short distance from the outlet's existing location;
- The proposed location is within the same catchment area and will service substantially the same customers;
- The Franchisee will be able to maintain or improve existing lottery sales levels at the proposed location; and
- The proposed Retail Image for the new premises meets Tatts Retail Image requirements.

The definition of "short distance" will be at the discretion of Tatts NT.

The definition of "catchment area" is the geographical area from which Tatts NT determines an outlet predominantly draws its customers.

If Tatts NT determines that any of the criteria outlined above are not met and rejects the relocation application, the franchisee may still move the host business to the proposed location however the Tatts NT outlet will not be transferred to that location. The franchisee may then submit an application for a new Tatts NT outlet at the new location. Any application received under these circumstances will be assessed against Tatts NT franchise criteria for the appointment of new outlets, together with any other applications sought or received by Tatts NT for that area.

Lottery equipment must not be moved without the prior approval of Tatts NT. This applies to equipment movements resulting from outlet relocations or layout alterations.

Granting of Temporary Closures

All requests for temporary closure must be received in writing. Tatts NT will then give consideration to the request for temporary closure of the lottery outlet. Examples of circumstances in which such consideration will be given are as follows:

- minor changes to building structure which may give rise to Work Place Health and Safety issues;
- temporary loss of utility services such as electricity and water; and / or
- centre redevelopment and on the understanding that at the time a request is made, redevelopment will be for a limited time and that a lease exists to re-establish the lottery outlet in an approved location when the redevelopment has been completed.

In all of the above circumstances it is expected that the request for a temporary closure would be for a very limited period and that all approvals will be at the discretion of Tatts NT.

Where approval for a temporary closure is granted the franchisee will be required to ensure there is adequate signage advising customers when the lottery outlet will be reopening, as well as signage displaying the addresses of the closest lottery outlets.

The purchaser must apply to Tatts NT (prior to settlement) to become a Tatts NT franchisee. Tatts NT will only appoint a purchaser as a franchisee if the purchaser meets Tatts NT franchise criteria.

Change of Business Structure (Partners or Directors and/or Shareholders)

Any changes to the business structure as referred to above will require a new application to be submitted to Tatts NT for assessment against the franchise criteria. Franchise Agreement and Outlet Procedures Manual

Approved applicants who have met all the standards and necessary franchise criteria, are required to enter into a Franchise Agreement which specifies the requirements of both the franchisee and Tatts NT. The Franchise Agreement will be for a five year term and within the first six months of the fifth year Tatts NT will indicate whether a further term will be offered.

A franchisee must abide by the conditions as outlined in the Franchise Agreement and Outlet Procedures Manual, which contains policies, standards and procedures.

Failure to comply with the Franchise Agreement and/or Outlet Procedures Manual may result in remedial action being taken by Tatts NT. Remedial action will depend on the circumstances and could involve suspension or termination of the Franchise Agreement. The contents of the Outlet Procedures Manual are to be kept confidential and used only for the purpose of managing a Tatts NT outlet.

Tatts NT reviews the sales performance and compliance of franchisees under the Franchise Agreement each year. The franchisee will be notified of any areas where their performance could be improved or where they are not meeting the terms of the Franchise Agreement or the standards required by Tatts NT.

Sales Requirements

There is a high capital cost involved in the installation, maintenance and ongoing support to maintain an outlet, therefore new outlets must deliver a minimum level of incremental sales and incremental profit returns for Tatts NT from the network as a whole.

The sales criteria for obtaining an outlet are only one part of the franchise criteria for the granting of an outlet. The retention of an outlet once granted depends not only on meeting the relevant sales criteria, but also on the absence of breaches of the Franchise Agreement which warrant termination of the Franchise Agreement.

Insurance

All Products outlets must obtain **Lotteries Special Risks Insurance and Professional Indemnity Insurance** which meets Tatts NT mandatory insurance requirements prior to the commencement as a Tatts NT franchisee.

Granting of an Outlet

Required minimum sales level criteria for new appointments must be achieved through incremental sales resulting in incremental profits to Tatts NT. Tatts NT reserves the right to appoint outlets which-in Tatts NT opinion satisfies the franchise criteria.

All Products outlets must demonstrate the ability to generate a minimum of \$8,500 per week in incremental lottery sales.

The reference to "incremental sales" means additional sales for the Tatts NT network.

Retention of an Outlet

All Products outlets must maintain minimum lottery sales of \$7,000 per week to retain the right to sell lottery products. This figure is CPI adjusted each year and outlets will be advised of the amount.

Sales Performance

It is the policy of Tatts NT to undertake an annual review of the sales performance of the network during January of each year. The annual review will be conducted by determining the average sales level for the prior six months for each outlet compared to the minimum sales level.

Outlets operating below the minimum sales level will be notified that if the outlet remains below minimum sales, the Franchise Agreement may not be renewed at the end of the term.

GST

Franchisees are liable to pay GST on the commission earned from product sales and player registration. This means that 1/11th of total commissions will represent GST which franchisees should include in the Business Activity Statements in the relevant BAS period sent to the Australian Taxation Office (“ATO”).

Tatts NT issues a Recipient Created Tax Invoice (RCTI) to Franchisees for commissions on product sales and player registration of which Franchisees can rely on as source of support for the calculation of GST.

Paying Prizes

Tatts NT Prize Payment Policy states that franchisees must pay prizes up to and including \$1,499.99 in cash and ensure sufficient funds are available to do so.

Responsible Play Commitment

Tattersall’s Sweeps Pty Ltd (Tatts), Tatts NT Lotteries (Tatts NT), Golden Casket Lottery Corporation Limited (Golden Casket) and New South Wales Lotteries Corporation Pty Ltd (NSW Lotteries) collectively referred to as **The Lott** are leaders in providing innovative and socially responsible lottery games in Victoria, Tasmania, NT, ACT, Queensland and New South Wales.

The Lott runs a Responsible Play Program which is designed to encourage responsible gambling. While recognising that lotteries are a low risk form of gambling, the Lott Responsible Play Program includes a range of measures to encourage responsible play of lotteries.

Responsible play is all about being informed, having fun and players knowing their own limits. The Lott and our retail agency network (franchisees) are committed to Responsible Play and to keeping lotteries fun and entertaining.

The cornerstones of the Responsible Play Program are the Lott Responsible Gambling Codes of Conduct applicable to each state or territory. A full copy of the Code relevant to a specific state or territory is available for inspection at the relevant Tatts, NSW Lotteries or Golden Casket outlet or online.

To supplement the codes, new franchisees are trained in Responsible Play and are also provided with a self-paced training Guide or Workbook which provide specific information around the Lotteries Responsible Play Program and the requirements and obligations for franchisees and their staff in a specific State or Territory.

Retail Image

Tatts NT is committed to maintaining the highest standards of excellence in our products and customer service. A major part of this involves portraying a highly recognizable and consistent Retail Image that clearly informs our customers about where outlets are and what games can be played.

The purpose of complying with the Tatts Retail Image is to ensure your outlet has an image that will:

- Maximise customer's brand recognition and purchase of products;
- Maintain a strong identity throughout the network;
- Allow franchisees to benefit from the connection to Tatts advertising that directs customers to your Tatts NT outlet;
- Provide outlets with a modern retailing concept; and
- Provide a bright, attractive and effective environment for customers and staff.

The Franchise Agreement requires franchisees to comply with the Retail Image requirements.

Retail Image Requirements

Tatts NT has a strict set of requirements for the completion of various installations. In addition franchisees are required to comply with Shopfit Design Specifications and any other update or communication from Tatts in relation to shopfit installations.

The previous Retail Image will expire on a rolling basis depending upon when an outlet originally had the previous Retail Image installed. The expiry timetable will be time lined from oldest to newest, each store will receive an Upgrade Notice to Generation One Retail Image to indicate the Retail Image due date.

The Generation One Retail Image, introduced on 2 August 2010 was updated on 1 February 2016 to include DigiPOS and is now the current Retail Image. All Retail Image installations after this date must be the current image.

Outlet Change of Ownership

Where a change of ownership occurs it will be expected that the new franchisee meet and maintain the Retail Image Standards applicable to that outlet as determined by Tatts NT.

Outlet Relocations

If an outlet is approved to relocate, the latest Retail Image must be implemented in the approved new location prior to commencement of trade.

Outlet Ceasing to Trade

In the event of an outlet ceasing to trade, the outgoing franchisee must ensure all signage; fixtures and promotional elements related to the business are removed.

New All Products Outlet

Applicants approved for a new All Products outlet must install the current image, prior to the commencement of selling lottery products. The current Retail Image is Generation One DigiPOS.

Minimum Design Requirements

There are three Retail Image categories:

- **One (1) Screen** based upon sales category

- **Kiosk** – based upon shopping centre environment

Fitout Costs for Outlets payable by franchisees

The cost of a Retail Image shopfit depends on many variables including individual needs, site requirements, final agreed layout and store type. It also depends on the shopfitter and/or contractors selected. Costs for installation of shop fit-out vary from outlet to outlet. A further estimate can be provided should your application proceed. For further information in relation to shop fitting costs, please refer to our disclosure document. To obtain actual fitout costs relevant to your outlet you must deal with your selected Tatts NT Approved shopfitter and/or contractor.

Retail Image components are to be treated with due care and attention. Replacement of any of these components will also be at the expense of the franchisee.
